After-Work Seminar in London: CRE Loan Restructuring – March 23

. This London-based [After-Work Seminar](#) is tailored to help market participants understand how service providers work to identify the best approaches to maintain cash flow and value within European CRE loans.

The seminar will be presented in a case-study format and will utilize hypothetical facts. This event will be useful for seasoned players, direct property investors, debt investors and service providers, or new participants planning to enter the European CRE finance markets.

Further registration information is [available](#). For information on March 23 seminar, please contact CMSA's [Carol Wilkie](#).
